Evaluating the validity of High School Diploma

Deluxe Barber College will check with the state, accreditation agencies and/or school website for validity of a student's high school diploma if we have reason to believe that the diploma is not valid or was not obtained from an entity that provides secondary school education. Student self-certification is not considered a sufficient proof of validity and there is no appeal process if our office of admission is unable to validate high school diploma.

In addition to checking online for further information about the high school issuing the diploma and its accreditation, Deluxe Barber College may also contact the Department of Education in the state in which the diploma was issued to determine if the school listed on the diploma is on the state's list of recognized schools. Lack of accreditation does not necessarily make a high school ineligible. Our school maintains a list of possible known diploma mills for the admissions staff to check when receiving a diploma from an unknown and questionable source. It is understood that this list may not necessarily be 100% accurate and may not be all inclusive as there are hundreds of diploma mills some known and some not currently known. It is also understood that the list of schools in the FAFSA drop down box online also may not be all inclusive. The school makes every reasonable effort to verify the validity of questionable high school diplomas.

Homeschooling

Though homeschooled students are not considered to have a high school diploma or equivalent, they are eligible to receive FSA funds if their secondary school education was in a home-school that state law treats as a home or private school.

Ability-To-Benefit (ATB) Alternatives & Eligible Career Pathway programs

Students may become eligible for Title IV aid through the ATB alternatives in one of two ways. If a student first enrolled in an eligible postsecondary program prior to July 1, 2012, the student may enroll in any eligible program and can become eligible through one of the ATB alternatives. However, if a student first enrolled in an eligible postsecondary program on or after July 1, 2012, the student may only become eligible through one of the ATB alternatives if the student is enrolled in an “eligible career pathway program.”

ATTENDANCE POLICY

1. An absence occurs when a student is not in attendance on regularly scheduled class day.

2. School holidays such as summer vacation and Christmas holidays are not considered as days of absence.

3. It shall be considered proper grounds for dismissal when a student accumulates absences in excess of five days in a calendar month. Any student will be terminated if fourteen consecutive days are missed.

4. Students are required to notify their instructor for any attendance to be made up and must be approved.

QUANTITATIVE AND QUALITATIVE FACTORS

Factors for measuring the student's progress toward satisfactory completion of the program include maintaining the following:

1. Minimum cumulative grade point average (GPA) of 75%.

2. Minimum cumulative attendance level of 70% of contracted hours.

3. GPA of 75% is required for graduation as well as attaining satisfactory progress.

In order to determine the rate of attendance, divide the cumulative number of actual hours completed by the scheduled hours to date. A student who has not achieved the minimum cumulative GPA of 75% or who has not successfully completed at least a cumulative rate of attendance of 70% is not eligible for Title IV assistance, if applicable.
SATISFACTORY ACADEMIC PROGRESS POLICY

Satisfactory Academic Progress is the qualitative (grade point average) and quantitative (attendance) measure of a student’s progress toward completing a program of study.

Students must meet formal standards that measure their satisfactory progress toward graduation as well as pace of course completion in the specified time frame. The policy is consistently applied to all students and complies with the guidelines established by the school’s accrediting/state agencies and the federal regulations established by the US Dept. of ED.

COMPLETION OF COURSE WITHIN DESIGNATED PERIOD OF TIME

Students whose transfer hours are accepted by the school are applied to the total number of hours necessary to complete the program and are considered both attempted and completed hours.

MAXIMUM TIME FRAME

Students must complete the educational program within the maximum time frame which is based on attending at least 70% of the scheduled hours. In the case of Leave of Absence (LOA), the maximum time frame will be extended by the number of days in the LOA.

**EVALUATION PROCEDURES AND REQUIRED LEVEL OF ACHIEVEMENT**

Progress Reports, along with Advisory Forms, occur monthly while formal Satisfactory Progress Evaluations in all attendance and academics occurs when the Barber Class A (1000 hours) student reaches 450, and 900 actual hours, the Cosmetology To Class A Barber (300 hours) student reaches 150 actual hours.

The monthly Progress Reports are issued to each student in order to track his/her progress towards meeting satisfactory progress. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the course. Examinations are given in all subjects and copies (both manual and electronic) are kept of grades as well as attendance. The following system/numeric grading scale is used for the evaluation of a student's academic ability:

**Theory, Practical, Clinic Grading Section**

- 90 - 100% = A/Excellent
- 80 - 89% = B/Above Average
- 75 - 79% = C/Average
- 70 - 74% = D/Below Average
- 69-& below = F/Unsatisfactory

Practical and clinical work is graded by a signature on the student’s worksheet or client ticket. A signature from an instructor represents a grade of higher than 75%. No signature indicates a score of less than 75% and the student did not meet minimum satisfactory standards on the practical application. The student is required to continue the practical application until he/she receives a signature from an instructor.
DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students receive a hard copy of their Satisfactory Progress Determinations at the time of each of the evaluations. Students deemed not maintaining Satisfactory Progress may have their Title IV Funding interrupted, unless the student is on Warning or has prevailed upon appeal resulting in a status of Probation.

WARNING, PROBATION AND RE-ESTABLISHMENT OF SATISFACTORY PROGRESS FOR CLASS A BARBER PROGRAM

Students failing to meet minimum requirements for attendance or academic progress will be placed on Financial Aid Warning for the next evaluation period. The student will be counseled regarding actions required to attain satisfactory requirements by the next evaluation point. During the Financial Aid Warning period, students are eligible, if applicable, to receive financial aid funds. If at the end of the Financial Aid Warning period, the student has still not met both the attendance and academic progress requirements, he/she will be determined as not making satisfactory progress and will be ineligible for Title IV assistance.

A student may appeal the decision if he/she has a documented reason of the unsatisfactory progress, and the underlying circumstances have changed. The basis for filing an appeal, such as death of a relative, injury, illness, or other special circumstances must be documented in the student's file. The school must determine that Satisfactory Academic Progress standards can be met by the end of the subsequent evaluation period in order for appeal to be approved. If the school grants the appeal, additional conditions may be imposed for the student's continued eligibility to receive Title IV, such as changing schedules between morning and afternoon which ever that is best for you. If such an appeal is granted, the student is placed on Financial Aid Probation for one evaluation period. If at the end of the Financial Aid Probation the student has not met both the attendance and academic progress requirements, all Federal aid will be suspended until such time that the student re-establishes satisfactory progress.

To re-establish satisfactory progress and Title IV aid (as applicable) the student must meet the minimum attendance and academic requirements at the next evaluation period. If the student has not met academic or attendance requirements for two consecutive evaluation periods, the student will be determined as not making satisfactory progress and will be terminated.
APPEAL PROCEDURE

If a student is determined as not making satisfactory progress or is terminated for not making satisfactory progress, the student may appeal the negative determination.

The student must submit a written appeal (see Financial Aid Office for official Appeal Policy Form) to the school administration within five (5) business days of not making satisfactory progress or termination. The student must include any supporting documentation of reasons why the determination should be reversed. If the student fails to appeal this decision, the decision will stand. If a student is terminated for gross misconduct, which includes but is not limited to reporting to school under the influence of alcohol or illegal drugs, cheating, stealing, insubordination, and threats and/or bullying, such termination is final and may not be appealed.

An appeal hearing will take place within fifteen (15) business days of receipt of the written appeal. This hearing will be attended by the student, parent/guardian (if the student is dependent minor), the student's instructor, and the Director of Education. A decision on the student's appeal will be within three (3) business days by the Director of Education and will be communicated to the student in writing. This decision will be final.

Should a student prevail on his/her appeal and be determined as making satisfactory progress, the student will be automatically re-entered in the course, and financial aid funds will be reinstated to eligible students.

OFFICIAL AND UNOFFICIAL WITHDRAWAL POLICY

Official Withdrawal
An official withdrawal refers to an action taken by a student to discontinue their enrollment at Deluxe Barber College. The student will need to submit a written signed statement to the admission office in a timely manner. The school withdrawal determination will be the student’s last date of attendance. The effective date of withdrawal will determine the student tuition liability as well as if refund is due.

Unofficial Withdrawal
An unofficial withdrawal refers to a student who has 14 consecutive nonattendances without notifying the institution. In such a case, the withdrawal determination date must be made 14 days of the student’s last date of attendance. The effective date of withdrawal will determine the student tuition liability as well as if refund is due.
LEAVE OF ABSENCE, INTERRUPTIONS, COURSE INCOMPLETES

If enrollment is temporarily interrupted for a LOA, the student will return to school in the same progress status as prior to the LOA. Hours elapsed during a LOA will not be included in the student's cumulative attendance calculation.

- A LOA is a temporary interruption in a student's program and refers to a specific time period of non-attendance.
- Multiple LOA's may be granted in any 12 month period.
- Total number of days allowed for a LOA may not exceed 180 days in a 12 month period.
- LOA has no effect on the "Satisfactory Academic Progress Standard".
- If student was deemed maintaining Satisfactory Academic Progress prior to LOA or withdrawal of training, upon his/her return, the student is deemed in good standing and may continue the program of study from the point of interruption.
- LOA time frame does not involve any additional charges from Deluxe Barber College
- Students on approved LOA need to be aware that the LOA may affect financial aid. Therefore, before final consideration is given to grant the requested LOA, the Financial Aid Advisor will meet with the student and provide information regarding the following:
  - loan obligations
  - possible revisions in his/her aid package
  - deferment options
  - notifications to lending institutions
  - deferments may be canceled
  - effects on veteran-benefits
  - grace periods exhausted
  - consequences of not returning to Deluxe Barber College at the expiration of the LOA
- Student who has been granted an LOA will be considered withdrawn if he/she does not return to school at the end of the LOA. In this case, the student will be informed that the last date of physical attendance is used for the purpose of calculating the Return of Title IV funds.
- Should withdrawal result, a student's grace period for a Title IV loan programs might be exhausted.
- A LOA will be granted if the request meets the following:
  - Submitted to the school in advance unless prevented by unforeseen circumstances.
  - Submitted in writing, signed and dated with specific reasons for request explained in full.
  - Request must be approved by school official.
• To request full one hundred eighty (180) day LOA, complete documentation and certain conditions will be needed to support said request, *i.e.* jury duty, military reasons including National Guard requirements, circumstances meeting criteria covered under FMLA (Family & Medical Leave Act of 1993).

When a student takes a LOA, the contract end date is amended. To calculate the new contract end date, the amount of the days of the LOA is added onto the contract end date.

**INCOMPLETE GRADE**

A barber school or college shall record a grade of “incomplete” for a student who withdraws but is not entitled to refund under Deluxe Barber College refund policy if the student request the grade at the time the student withdraw and the student withdraws for an appropriate reason unrelated to the student’s academic status. A student that receives a grade of incomplete may re-enroll in the program during the 48-month period following the date the student withdraws and may complete those incomplete subjects without payment of additional tuition.

**RE-ADMISSION POLICY**

Students may reapply to be re-admitted to the institution.

Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

Students re-entering after 180 days will be charged at the current tuition rates as newly entering students. Students returning within 180 days will keep the initially contracted rate.

**NON-CREDIT & REMEDIAL COURSES**

Course incompletes, repetitions, and non-credit remedial courses do not apply to this institution, therefore, have no effect upon the school’s Satisfactory Academic Progress standards.
RETURN OF TITLE IV FUNDS

If a student (parent/guardian in the case of a student under legal age). Cancel his/her contract, the cancellation date will be determined by the postmark on written notification or the date said information is delivered to the school’s Financial Aid Director/Owner in person. This policy applies regardless of whether or not the student has actually started training.

Good attendance is one of the keys to your success as a student in a vocational program. The date of determination varies depending on the type of withdrawal. For example, if a student begins the official withdrawal process or provides official notification to the school of intent to withdraw, the date of determination would be the date the student began the official withdrawal process or the date of the student’s notification, whichever is earlier.

Sometimes students just stop attending without telling anyone. In such a case, the date of determination must be made within 14 days of the student’s last date of attendance. This does not mean that the school must administratively withdraw a student if he or she is not in attendance for 14 calendar days. It means that the school must be in touch with the student within 14 calendar days of their last date of attendance, to identify their intent. Are they planning to return, and if so, when? Do they need to ask for a leave of absence? Or...are they not coming back?

If the student does not notify the school that he/she is withdrawing, formal termination shall be based on monitoring of participation determined by the institution. I.e. academic advising, class, examinations, tutorials, computer-assisted instruction and other academic related activities.

For students who do not return from a Leave of Absence last date of attendance will be actual withdrawal date. The date the student was due back will be used as the date school determines student is withdrawn.

If a student withdraws officially and/or unofficially the school or the student may be required to return some of the federal funds awarded to the student. The federal formula requires a return of Title IV aid if the student received federal assistance in the form of Pell Grant, and Federal Direct Loan Program and withdrew on or before completing 60% of the payment period. The percentage of Title IV aid to be returned is calculated by dividing the students scheduled hours by the total scheduled hours in that payment period.

Funds that are to be returned to the federal government are used to reduce the outstanding balances in individual federal programs. Financial aid returned must be allocated in the following order:

1. Federal Direct Unsubsidized Loan
2. Federal Direct Subsidized Loan
3. Federal Direct Plus (Parent) Loan
4. Federal Pell Grant
The school must return any Title IV funds they are responsible for within 45 days after the school determines the student withdrew. Copies of all calculations and checks will be supplied to the student upon finalization of the file.

Note: If funds are released to a student because of a credit balance on a student’s account, then the student may be required to repay some of the federal funds after withdrawal.

**POST-WITHDRAWAL DISBURSEMENT**

There are certain instances in which a student is eligible for a post – withdrawal disbursement. The institution’s may make any post withdrawal disbursement up to 120 days from the date of the institution’s determination that the student withdrew. Post withdrawal disbursements are first made from the Federal Pell Grant. Within 30 days of withdrawal determination a written notice will be sent to the student and/or parent for approval to credit any outstanding tuition balance.

**CREDIT BALANCE:**

Credit balance occurs after a student Ledger show a balance of zero ($00.00). All Credits are given to students after Mid-Point Review of Clock Hours in the payment period. SAP (Satisfactory Academic Progress) report must be Yes on Genesis School Management Software or No if you appealed and the appeal was granted.

**TITLE IV CREDIT BALANCE:**

Deluxe Barber College a portion tuition cost through out the payment period. Title IV Credit balance generated will be given to the students within 14 days. Unless student gave a written authorization to the school to hold his/her credit balance.

TUITION REFUND POLICY

- A full refund of all monies must be refunded if a student cancels enrollment not later than midnight of the third day after the date on which the agreement or contract is signed by the prospective student, excluding Saturday, Sunday, and Legal Holidays.

- The enrollment of the student was procured as a result of misrepresentation by an owner or any school official or through false advertising.

- If tuition and fees are collected in advance of the start date of classes and the student does not begin classes or withdraws on the first day of class, no more than $100.00 of the tuition and fees may be retained by the institution.

- If a student at the expiration of the cancellation period established under number 1 above of this section, fails to enter the program of training, withdraws from the program of training or is terminated from the program of training before completion of the program. The refund policy is based on the period of the student’ enrollment, computed on the basis of program time expressed in clock hours.

- The school is not obligated to refund any additional tuition if the student withdraws or is terminated during the last 50 percent of the program. If a student withdraws or is terminated before the last 50 percent of the program begins.

Refund will be calculated as follows:

- For withdrawal or termination occurring during the first 10% of the program, the Institution will refund at least 90% of the tuition.

- After the first 10% of the program, whichever is less, but within the first 25% of the program, the Institution will refund 50% of the tuition.

- After the first 25% of the program but no later than the last date of the first 50% of the program, the Institution will refund 25% of the Tuition.
For withdrawal or termination occurring no later than the completion of the second 50% of the program, the institution may retain all of the tuition.

School must allow students withdrawing or terminating after 50 percent of the program but not due a refund to re-enroll at any time during the 180 days period following the date of withdrawal or termination, without payment of additional tuition unless withdrawal or termination is related to the student’s academic status.

All refund must be paid no later than the 45th day of eligibility for the refund.

AWARDING OF TITLE IV, HEA PROGRAMS

All Title IV funds are awarded based on the information received from the FAFSA. You must complete the FAFSA to be eligible. To complete the free FAFSA, Student/parents will provide two years prior tax return documents. Free Application for Federal Student Aid (FAFSA) can be found at www.fafsa.gov.

After the FAFSA has been completed, an output document will be created. Two to three business days Deluxe Barber College financial aid office will receive the FAFSA data electronically in a document called an Institutional Student Information Record (ISIR) and the student will receive a Student Aid Report (SAR). The output document will provide information about the student and family including a calculate Expected Family Contribution (EFC), written comment identifying specific information about the applicant data submitted.

For those students selected for federal verification or determined to have conflicting information, the applicant moves to review. All applicant data is reviewed for accuracy and an IRS Tax Transcript and additional documentation may be required to resolve any conflicting information. After the information and data are reviewed and any conflicting information is resolved, the file is coded ‘verification complete’ and the applicant is ready to be packaged.

The Estimated Family Contribution (EFC) is subtracted from the Cost of Attendance (COA) to determine each student’s demonstrated financial need.
COA-EFC = NEED

The sum of all need based awards will not exceed the need of the student. The sum of all awards (need and non-need) will not exceed the COA.

The Packaging methodology for undergraduate students:

• PELL Grants will be automatically awarded based on the student’s EFC and PELL tables published by the US Education Department

• All institutionally awarded scholarships and merit-based grants are included

• Eligibility for Subsidized and/or Unsubsidized Direct Loans will be calculated and added to the package

VERIFICATION POLICY

The U.S Department of Education required Deluxe Barber College to verify information submitted by the students/parents on their FAFSA. To ensure that students receive the proper financial aid award package, Deluxe Barber College identifies the students selected for verification during the financial aid application process by viewing the FAFSA output document called the Institution Student Information Record (ISIR). Students selected for verification are required to submit the appropriate documents within the first week of their start date. Federal Title IV funds will not be disbursed until verification process has been completed. Failure to submit required documents on a timely manner will delay verification process, late disbursement and may potentially affect student’s financial aid. Deluxe Barber College also has the option to request for additional information including those it has reason to believe are inaccurate or have conflicting information.

REQUIRED VERIFICATION DOCUMENTATION:

Dependent Students:

• A dependent verification worksheet

• A signed copy of your parent(s) federal tax return (if not filing, complete a non-filer statement or a non-filer letter from IRS)

• A signed copy of student’s federal tax return (if not filing, complete the non-filer statement or a non-filer letter from IRS)

• Complete a low income worksheet (this is when a student/parents reported income does not support the Federal Poverty Guidelines)
• High school Diploma/GED, copy of unexpired state issue identification or driver’s license

• Any other forms deemed necessary

INDEPENDENT STUDENTS:

• An independent verification worksheet

• A signed copy of your federal tax return (if not filing, complete a non-filer statement or a non-filer letter from IRS)

• Complete a low income worksheet (this is when a student’s reported income does not support the Federal Poverty Guidelines)

• High school Diploma/GED, copy of unexpired state issue identification or driver’s license

• Any other forms deemed necessary

PROFESSIONAL JUDGMENT AND DEPENDENCY OVERRIDE

In an event that individual circumstances and unusual situations are not addressed or defined through standard verification procedures, additional review is necessary. Deluxe Barber College does provide Professional Judgment on case by case. These cases must be sufficiently documented and may be processed in accordance with regulations as defines in Professional Judgment and Dependency Override Status: HEA Sec.479A(a)(7) and Sec. 480(d)(7).

In rare circumstances, a student who does not meet the FAFSA requirements for independent status can be considered independent provided they submit a letter explaining their situation along with any appropriate supporting documentation to office of financial aid. This is done only in extreme circumstances and must be thoroughly documented. Parents’ refusal to provide income information on the FAFSA is not a sufficient reason for a dependency override appeal; neither is a student’s financial self-sufficiency.

Financial aid is based on your demonstrated need as calculated from the information on your FAFSA and from our estimated costs.

- Students must maintain Satisfactory Academic Progress as defined by Deluxe Barber College to receive financial aid.

NOTICE OF POTENTIAL INELIGIBILITY FOR LICENSE

Texas Law: Restricts the issuance of occupational licenses based on a license applicant’s criminal history; and

Authorizes the Texas Department of Licensing and Regulation (TDLR), in some cases, to consider a person convicted, even though the person was only on probation or community supervision without a conviction

As an applicant/enrollee in an educational or training program that prepares individuals for issuance of an occupational license, I have been provided with notice by DELUXE BARBER COLLEGE of the following:

If I have been convicted of an offense of placed on probation, I might not be eligible for an occupational license issued by TDLR after I complete this educational or training program; TDLR’s criminal history guidelines are available at www.tdlr.texas.gov/crimconvict.htm and include restrictions or guidelines TDLR uses to determine eligibility for an occupational license; and have the right to request a criminal history evaluation letter from TDLR, which is explained in more detail at: www.tdlr.texas.gov.crimhistoryeval.htm

Section 53.152, Occupations Code, requires that notice be provided to each applicant and enrollee regardless of whether the applicant or enrollee has been convicted of an offense.

REFUND AND ORDERED PAYMENTS. State law requires TDLR to order and educational program provider to refund tuition, license application fees, and examination fees if: TDLR determines the provider failed to provide notice to me; and my license application was denied because of my criminal history.
